Further to instructions received I have undertaken an internal audit of the Council’s books and records in accordance with the Council’s requirements and planned coverage under the guidelines of Governance and Accountability for Local Councils.

This work has been carried out on a sample basis so as to provide an assessment of compliance with the relevant policy and controls that are expected to be in operation during the above financial year. Where areas of concern are encountered additional work is undertaken to ascertain the extent of the problem and to form an opinion as to the effect on Council finances. Advice can then be given to correct the situation and the Council can then agree further controls where necessary to ensure future compliance with regulations. My audit has covered the work carried out by the Clerk to the Council and staff who were in office during the above year ensuring that relevant regulations have been met and the Council’s resolutions have been carried out in a proper and timely manner. The following areas were subject to inspection.

Observance of Financial Regulations.
Observance of Standing Orders.
Operation and Reconciliation of Bank Accounts.
Cash Book Receipts and Payments.
Invoices Received.
Invoices Raised.
Value Added Tax Returns.
Preparation of Accounts.
Fixed Assets.
Council Minutes, Resolutions and Authorised Payments.
Risk Assessment.
Adequacy of Insurance cover.
Payroll Records.
Precept requirement and Budget.
Adequacy of Council Reserves.

Continued.
STAVELEY TOWN COUNCIL
INDEPENDENT INTERNAL AUDITORS REPORT
FOR THE YEAR ENDED 31ST MARCH 2017

My inspection of the Council’s books and records for the year ended 31st March 2018 has not found any areas of concern that require me to give a NO response to any section of the Town Council’s Annual Return Internal Audit section.

In conclusion I can report that my inspection of Staveley Town Council’s records has found that the internal control system that was in place during the year ended 31st March 2018 was working well and met the needs of the Town Council to a good level.

I have reported on the Reserves before and I am aware of the legacy issues that have affected this matter in the past but as a recommendation I would like to add that the Town Council’s Reserves, which were still at a low level at 31st March 2018, should be looked at with a view to building them up. I have discussed this situation with the Clerk and he has indicated that there are plans currently in place to increase the Reserves during the 2018/19 year and that improvement will be seen by the end of this financial year.
